

IT'S ABOUT WINNING AN ERA.

PETE BUTTIGIEG FOR PRESIDENT

**JOIN US
TO GET HIM
ELECTED.**

ON DEMOCRACY: RESTORE PEOPLE'S VOICE

Pete believes corporations don't substitute for people and money is not speech. He wants to reform campaign financing and eliminate the electoral college, restoring the people's voice.

ON SECURITY: RESPONSIBLE TRADE POLICY

Crushing tariffs have made farmers pay for a poorly fought trade war. As a combat veteran, Pete understands firsthand the value of our global alliances and will raise America's standing.

ON FREEDOM: MEDICARE FOR ALL, WHO WANT IT

Pete believes in the freedom for all to have access to Medicare, as a pathway to Medicare for All. He also maintains that people should have the freedom to access private options.
